

## ACCOS participating in the Beautiful Shawl Project

As part of the Beautiful Shawl Project, BreastScreen Victoria's mobile screening van visits various Aboriginal Community Controlled Organisations (ACCOS) every two years. The Victorian Aboriginal Community Controlled Health Organisation (VACCHO) partners with this project, which aims to help ACCOS and other organisations engage with Aboriginal and Torres Strait Islander communities. Below are some of the ACCOS that our mobile screening van visits. If you wish to make a booking as part of the Beautiful Shawl Project, please contact the ACCO directly to inquire about the van's visiting schedule.
