

Are you aged 50 to 74?

If you have no breast symptoms, we recommend a free breast/chest screen every 2 years for:

Cis women

Trans women

that have been on HRT for 5+ years

Trans men

that have not had top surgery

Non-binary people

that were assigned female at birth and have not had top surgery or assigned male at birth with 5+ years of HRT

To find out more about your eligibility, or to book a breast/chest screen, visit **breastscreen.org.au** or call **13 20 50**.
